

Sweetness & Light

Family Sessions

Keep the clothing in one color family and then everyone doesn't need to match. For example have everyone wear warm colors (brown, red, gold, orange) or cool colors (blues, greens). Solid colours make us look slimmer! Please avoid logos or big prints.

Please dress comfortably! Do not overdress on a hot day or wear tight clothing that is hard to move in. Some poses may require you sit on the floor or have good range of motion. Also your shoes and socks may show so either opt to be barefoot or consider matching shoes on all.

Wear your makeup as you would normally. If you normally wear none, it may be a good idea to wear some. Please also bring a hairbrush for touchups.

Relax, smile and enjoy the experience!
